

West Surrey CTC ORGANIZED CYCLE RIDES and events open to all

January to March 2016

West Surrey CTC organizes rides to suit the ability and inclination of a wide range of riders. The schedules below give details of each ride, with rides being graded 1 to 4 depending on average speed and distance; for full details see

<http://westsurreyctc.co.uk/ride-groups/ride-guide/>

If you would like to know more, please phone the designated ride leader.

Group Riding Guidelines – group riding is a wonderfully sociable way to cycle, and also provides support; there will always be someone there to help you mend a puncture. However, it requires even greater discipline and awareness than solo cycling. The Club's Group Riding Guidelines set out in detail the responsibilities of all riders, and is essential reading; see

<http://westsurreyctc.co.uk/rides-and-events/ride-guidelines/>

Late changes to the rides (e.g. as a result of adverse weather conditions) are advised in the *Latest News* section of the website (in the middle of the *Welcome* page). It is recommended that this section is checked before heading off on a ride. You can receive e-mail alerts of all new postings by signing up at:

<http://westsurreyctc.co.uk/category/blogs/>

Changes may also be advised by way of group e-mail. If you wish to receive such e-mail notifications, please go to the *Welcome* page, look for *Quick Links* on the right hand side, and click on *Sign up for announcements etc* (the 5th item down). There you will be able to specify any particular Ride Groups in which you are interested.
