

# WEST SURREY CYCLE TOPS

## SPECIAL PRICES FOR ONE WEEK ONLY

Our suppliers are offering discounted prices for a very limited time only, which makes it more practical to order small quantities. Even larger discounts are still available for larger orders, so it is impossible to advise a definite price, although we would hope to keep the price at or below

**£38.00**

Long sleeves – add £2.80

Winter fabric – add £8.00

**Ladies Tops** – following an enquiry at the AGM, we have sourced ladies tops in the same design. However, they are only available in “Pro-cut” style, which is understood to be an even slimmer fit than the “Sport-cut” of the normal jerseys; please bear in mind when considering the size to order. They are also more expensive to reflect the enhanced quality, but in order not to disadvantage our lady members we are offering these with a further discount, taking the price to at or below

£44.00

Extras for long sleeves and winter fabric as above.

This is a great opportunity for those who do not yet own a Club jersey to do so now, and also for those who do, to add to their wardrobe; note the winter fabric now being offered. The committee strongly believes that the visible club identity provided by members wearing these jerseys on group rides should be very actively encouraged.

If you wish to order, please advise John Murdoch ([johnmatsouthview@btinternet.com](mailto:johnmatsouthview@btinternet.com))

By **Sunday 23<sup>rd</sup> November at the latest**, specifying:-

- Size
- Sleeve length
- Normal or winter fabric.

If you wish to know more about the jerseys, please visit the Owayo website at [http://www.owayo.com/cycling-custom-jerseys\\_summary.htm](http://www.owayo.com/cycling-custom-jerseys_summary.htm), or contact John Murdoch.

**Note** – if insufficient orders are received, which means that the unit price has to be above that advertised, then John will contact you with a revised price, to be agreed with you before any order is placed; hence, please watch your inbox after 23<sup>rd</sup> November.
