Group Riding Guidelines:

West Surrey CTC's riding principle is: No-one left behind - bring everyone home safely

Group riding is a wonderfully sociable way to cycle, and provides support when out riding; there will always be someone there to help you mend a puncture or help deal with a malfunction. However, group riding requires even greater discipline and awareness than solo cycling and the club's *Group Riding Guidelines* set out in detail the responsibilities of all riders, and is essential reading if you choose to ride with us. The wearing of cycle helmets is strongly recommended.

Please visit <http://westsurreyctc.co.uk/rides-and-events/ride-guidelines/>

Useful Information

Changes to Published Rides: Late or last-minute changes to rides (e.g. as a result of adverse weather conditions) are advised in the **Latest News section of the website** (in the middle of the *Welcome / Home* page). Do take a moment to check our website before heading off on any ride. You can also receive e-mail alerts of all new postings simply by signing up at: <http://westsurreyctc.co.uk/category/blogs/>

Changes may also be advised by way of a **Google Groups e-mail**. If you want to receive these e-mail notifications, please go to the *Welcome* page on our website, look for *Quick Links* on the right-hand side, and click on *Sign up for announcements etc* (the 5th item down). Then specify which group(s) you'd like to receive announcements about.

Many groups are now using '**WhatsApp**' to communicate to others in a group. This is a mobile phone application and works just like normal SMS text messages. To find out more and join your WhatsApp group speak with your ride leader.

We encourage our members to wear **Club Clothing**. Cycling tops, along with a range of other club specific cycle clothing are available at club sponsored prices. For more information go to <http://westsurreyctc.co.uk/the-club/club-clothing/> or contact John Murdoch.
