Group Riding Guidelines:

West Surrey CC's riding principle is: No-one left behind – bring everyone home safely

Group riding is a wonderfully sociable way to cycle, and provides support when out riding; there will always be someone there to help you mend a puncture or help deal with a malfunction. However, group riding requires even greater discipline and awareness than solo cycling and the club's *Group Riding Guidelines* set out in detail the responsibilities of all riders, and is essential reading if you choose to ride with us. The wearing of cycle helmets is strongly recommended.

Please visit <https://westsurreyctc.co.uk/rides/ride-guidelines-2/>

Useful Information

Spond: most of our members are now registered on Spond and our events are typically published there in advance for members to indicate their intended participation. This provides the club with the necessary compliance with current Covid regulations. Publishing ride details including the route in advance also assists riders in choosing which event suits them. The club's policy is that all rides are open to any member – providing of course that they are comfortable riding the distance at the average speed typical of the group. Please visit <https://westsurreyctc.co.uk/how-to-use-spond/>

In addition to Spond, 'WhatsApp' is used by some member groups as a means of communication. To get details of how to join your WhatsApp group speak with your Ride Leader.

Changes to Published Rides: Late or last-minute changes to rides will be notified to participants via Spond and WhatsApp, so please check these before you set out on a ride. In addition, you can also receive e-mail alerts of all new website postings (either from the committee or urgent info) simply by signing up at: <https://westsurreyctc.co.uk/members/registration/>. Then specify which group(s) you would like to hear announcements about.

We encourage our members to wear **Club Clothing**. Cycling tops, along with a range of other club specific cycle clothing are available at club sponsored prices. For more information go to <https://www.westsurreyctc.co.uk/members/club-clothing/> or contact Derek Ridyard.
