## Group Riding Guidelines:

### West Surrey CC's riding principle is: No-one left behind – bring everyone home safely

Group riding is a wonderfully sociable way to cycle, and provides support when out riding; there will always be someone there to help you mend a puncture or help deal with a malfunction. However, group riding requires greater discipline and awareness than solo cycling and the club's *Group Riding Guidelines* set out in detail the responsibilities of all riders and this is essential reading if you choose to ride with us. The Club strongly recommends the wearing of cycle helmets for all organised rides and light coloured or fluorescent clothing so that you are visible to other road users.

Please visit <https://westsurreyctc.co.uk/rides/ride-guidelines-2/>

## Useful Information

**Spond:** Almost all of our active members are now registered on **Spond** and our events are typically published there in advance for members to indicate their intended participation. This also provides the club with helpful information about participation on rides. Publishing ride details, including the route, in advance, also assists riders choosing which event suits them best. The club's policy is that all rides are open to any member – providing of course that they are comfortable riding the distance at the average speed typical of the group. Please visit <https://westsurreyctc.co.uk/how-to-use-spond/>

In addition to *Spond*, a number of 'WhatsApp' groups exist for some member groups as a means of communication. To get details of how to join your WhatsApp group speak with your Ride Leader.

**Changes to Published Rides:** Late or last-minute changes to rides will be notified to participants via Spond and/or WhatsApp or email, so please check these before you set out on a ride. In addition, you can also receive e-mail alerts of all new website postings (either from the committee or urgent info) simply by signing up at: <https://westsurreyctc.co.uk/members/registration/>. Then specify which group(s) you would like to hear announcements about.

We encourage our members to wear **Club Clothing**. Cycling tops, along with a range of other club specific cycle clothing are available at club sponsored prices. For more information go to <https://www.westsurreyctc.co.uk/members/club-clothing/> or contact our chairman Derek Ridyard.
